Hyper Sport Series

PAL14LHY 12.8V 64W/Hr
Lithium Iron Phosphate (LiFePO4) Battery

Hyper Sport Series

Active intelligent monitoring. At the heart of every Hyper Sport Lithium battery is an integrated management system that monitors and reacts to multiple voltage, current, and temperature events to maximize performance, battery life and safety.

Go Safer
Lithium Iron Phosphate (LiFePO4) is the safest type of lithium battery and a ready to go replacement and upgrade from lead acid, AGM or gel.

Go Faster
• 4X lighter
• 4X faster charge time

Go Longer
• 4X longer life
• 4X the warranty

Go Hyper Sport
Simply connect your battery and you are ready to go.

Performance Specifications

- Nominal Voltage: 12.8V
- Watt-Hour (2.5A to 10.0 volts): 64
- Charging Voltage: 14.4V (Standard) – 14.8V (Max)
- Charging Current: 2.5A (Standard) - 10.0A (Max)
- Approximate Weight: 2.65 lbs. (1.2kg)
- Max continuous output current: 20A
- Max starting current (5s at 77°F (25°C)): 250A
- Cycle life: (80% DOD at 77°F (25°C)) ≥8000
- Charge Retention (Shelf Life) (at 68°F (20°C))
  - 1 Month: ≥95%
  - 3 Month: ≥90%
  - 6 Month: ≥80%
- Operating Temperature Range
  - Storage: 14°F (-10°C) to 131°F (55°C)
  - Charge and Discharge: -4°F (-20°C) to 104°F (40°C)
- Case: ABS
- Upgrade to lead acid battery model: PTX14L-BS
CHARGING
The battery can be used if the voltage is higher or equal to 12.8V, although we recommend fully charging the battery if the voltage is below 13.0V. Apply constant voltage charge between 14.0V and 15.0V to fully charge the battery.

The Hyper Sport series requires lithium compatible chargers and testers. We do not recommend the use of lead acid chargers as many in the market are not suitable for lithium iron phosphate batteries.

APPLICATIONS
- Motorcycle
- Scooter
- ATV
- Watersport
- UTV

WARRANTY
Designed and engineered at our ISO 9001:2001 certified factories all Power Sonic batteries are subject to stringent quality control through every step of the manufacturing process ensuring both consistency and reliability. The Hyper Sport series are backed by a 2-year limited warranty.
